

eSafety

Edusite is committed to assisting schools with their esafety needs. We recognise that a large amount of online safety is based around guidance and teaching that parents, carers and schools provide.

Below are some tools and resources that you can use to make your lives a little easier, pass on to others and help identify any other needs you may have in school.

Useful Resources

- Safe Search**
www.primaryschoolict.com
Free and friendly Google search.
- SearchyPants**
searchypants.com
Create your own Safe Search, with your own links and style. Ideal for creating your own homepage.
- Thinkuknow**
www.thinkuknow.co.uk
A set of resources and tools created by the Child Exploitation and Online Protection Centre (www.ceop.police.uk). It's split into age ranges and has specific parent and teacher information.
- Childnet**
www.childnet.com
Great resources for everybody, including some fantastic stories for younger ones and a glossary for parents.
- 360Safe**
www.360safe.org.uk
The 360 esafety self review tool – helps you identify what your requirements are and where to move forward.
- UK Safer Internet Centre**
www.saferinternet.org.uk
Tips, advice and resources to help children stay safe on the internet.
- Somerset e-Sense and e-Safety**
slp.somerset.gov.uk
Many online resources and links including posters charts and guides.
- CBBC Stay Safe**
www.bbc.co.uk/cbbc/topics/stay-safe
Engaging videos to highlight various online safety issues.
- KidsSMART**
www.kidsmart.org.uk
Videos and advice aimed at KS2 and above.
- Microsoft Family Safety**
familysafety.live.com
Additional safety tools for your home Windows PC or Laptop. Microsoft account required. More information is available here.
- Quib.ly**
quib.ly
Freely ask questions regarding technology and children – get a response from an expert.
- Crook Primary, County Durham -**
www.crookprimary.org.uk
A great page with links to Parental Control help for many commonly used technologies.
